Esterbrook Road reconstruction half done; proceed with caution

(Douglas, Wyo.) Sept. 25, 2009 - - The Esterbrook Road reconstruction, from the Esterbrook Bridge to the Work Center, is about half completed. Crews continue to work their way south, and plan to have the project completed by October 17, 2009. Drivers using the Esterbrook Road are advised to continue to use caution as there are loose rocks on the road and near gravel trucks. Please slow down to avoid flying gravel causing cracked windshields.

For more information, please contact the Douglas Ranger District at 307-358-4690.
